May 2013 NEWSLETTER

COMMODORE: DEWEY REED

WOW!! April was a great time at the club. If you missed the Jr. Sail's fundraiser you missed one heck of a party. So many great things were given away, we all had a wonderful evening.

There are some fun filled events coming up that you are not going to want to miss. Speaking of miss, I would like to thank the committee, the judges and the contestants for the putting on a great Miss CYC Pageant. And I would like to thank our Miss CYC 2012 Kathryn Adams for a great year. And I would like to introduce our Miss CYC 2013 Megan McGowan to you. I would not have liked to have been a

judge for that affair—too many pretty girls in some really pretty dresses.

I would like to thank Bob Grange, who installed a WIFI device so everyone with a boat slip can get reception. If you need more information please see Linda.

Also I would like to thank my flag and the board and a few past commodores and their wives for coming out and helping with some much needed touching up. We replaced ceiling tiles, repainted the dining room, thanks to the Tuesday Night Men's Social Club for donating \$300 for the paint. We replaced light bulbs with more energy efficient ones, donated to us from Bill Collier and also the Past Commodores donated money for buying the rest of the bulbs that need replacing. Also a special thank you to Rodney Travers of Travers Electric he got this party started by installing much needed lighting in the dining room. He not only donated all the materials but also had his crew come out and install them. So the next time you see any of these people say thank you and if you would, buy them a drink. And I want to thank all of you, we have a wonderful club so please make a reservation and come join us.

Cinco de Mayo is on May 5th come and have some fun with DJ Chucky Love out at the gazebo. Commissioning day is set for May 11, 2013 starting at 5:30 with appetizers and a drink, program to start at 6:00 and when that is over stay and enjoy some good food.

Check out the website and look at the calendar to see when we will be having entertainment. And also don't forget our Mother's Brunch on May, 12th .

And one very important thing I would like to talk to you about is one of our newest members Lt. Col. Donald Hawkins ESMCR, he is implementing a program called Warriors On Waves. He and a crew of combat veterans will be taking out wounded warriors from Walter Reed Military Hospital on board Moondance, a 39' Catalina sailboat for a weekend away from the hospital. This is a new program so right now, it is scheduled to start on June 1st but that may change I will keep you informed on the website, my newsletter and also it will be posted in the hallway. There will be up to 3 Wounded Warriors having dinner at the club. I would love to see our members show up and if nothing more say thank you to these brave young men and women who have given so much of themselves to protect our way of life. The complete story will be displayed in the hallway. If you would like a copy please see Linda.

Your 2013 Commodore,
Dewey Reed

It is with my deepest sympathies that I have to announce the passing of Lucille Barnes. As many of you know she was a long time employee of The Cambridge Yacht Club. Lucy worked in the office for many years next to Kitty! I had the pleasure of working with her while I was a server here 10 years ago. She truly will be missed! My heart goes out to her two daughters Laurie and Linda and their families!
