JUNE 2013 NEWSLETTER

COMMODORE DEWEY REED

Time surely does fly by when you're having fun. Summer wants to come join the party but Mother Nature is holding her back as long as she can. But don't worry; it soon will be so hot you will be wishing for some cooler weather.

Please watch the calendar; sometimes the club will be closed for special events as we get into the wedding season. Also Hawk is still working on his Wounded Warrior sailing trips, he is still cutting through the red tape, but as soon as I know when for sure I will get it out there.

There will be a very special griller for this Sunday the 9th our very own line cook, Derek will be cooking hamburgers and hotdogs, I am sorry to say the 11th will be Derek's last day with us. Derek has been our line cook for the last 3 years. He was a very big part of making the kitchen work last year when we were looking for a Chef, he made my life a whole lot easier staying on when I was running Chef after Chef through the kitchen before we found Chef Darnell. So if you can please stop out and say goodbye and wish him well. He has enlisted in the United States Air Force and will be on his way to basic training. So Derek I thank you for a job well done and I, the staff and the members wish you all the best of luck in your military career.

I would like to thank PC Jim Benjamin for inviting me to present the wreath for the CYC during the service at Long Wharf on Memorial Day. It was my honor and privilege to do so. For those that did not attend let me tell you the story that was told that day. As an Army veteran I had heard the story but did not know about the name of the ship. The (Sailing Ship) SS Dorchester was built in 1926 to run passengers and material from Boston to Miami. It was refitted for service during World War II in Feb. of 1942 when it was commissioned the (United States Army Transport) USAT Dorchester. On a fateful night 1 year later on Feb. 3rd 1943 55 min after midnight a German (U-Boat) U-233 torpedoed and sank the Dorchester hitting her in the boiler room which made her sink to the bottom of the cold Atlantic in 20 minutes. In those 20 minutes four Army Chaplains helped with life vest and get people into life rafts and prayed. But these 4 Army Chaplains did more than just that, when they ran out of life vests they took off their own and handed them to 4 soldiers so they could have a chance to live. And as the USAT Dorchester goes down the 4 Chaplains cross arms and began to pray and sing hymns until their final prayers are answered.

And that, my friend, is why we celebrate Memorial Day.

But it also got me thinking of doing something else to remember and thank people for what they did. PC Benjamin was in his airborne uniform complete with his corporal stripes and jump boots and they all still fit. I can't even get my Army Dress Green jacket on. I haven't asked him yet but I want to get his story and let our members know the kind of people they walk by when they come to the club. And I will do a little story on 6 different members for the next 6 months.

You need to stop by on Tuesdays and join us for free appetizers or just make reservations and join us for dinner we are going to start running some \$10.00 specials this summer. So come see us it will be worth it.

2013 Commodore

Dewey Reed

All the great things are simple, and many can be expressed in a single word: freedom, justice, honor, duty, mercy, hope.

Winston Churchill

TWO CLUBS, ONE LOW PRICE!

Cambridge Yacht Club is pleased to announce that we are offering joint memberships with **Clearview at Horns Point**. Now you can enjoy both clubs for a discounted membership rate of \$1650 per year. What a value!

Clearview has a challenging 18 hole golf course, swimming pool, and waterfront clubhouse. Take your boat from CYC, tie up at Clearview's dock, and enjoy a day on the links.

For more information about this special opportunity, please see the flyer on our website, or call either club at the numbers below.
